

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN JOSE DIVISION

11 GPNE CORP., ) Case No.: 12-CV-02885-LHK  
12 v. Plaintiff, )  
13 ) ORDER ON APPLE'S REQUEST TO  
14 APPLE, INC., ) SEAL  
15 Defendant. )  
16

---

17 Apple has renewed a request to seal certain exhibits for trial, previously raised in  
18 connection with high priority objections (ECF No. 418). ECF No. 464. Apple did not file any  
19 highlighted proposed redactions in the documents for sealing. This violates Civ. L. R. 79-  
20 5(d)(1)(D) and this Court's recent express order requiring the parties to "highlight proposed  
21 redactions in the unredacted versions of the documents." ECF No. 453. Apple's failure to file  
22 highlighted versions makes it very difficult for the Court to identify and assess proposed  
23 redactions. Accordingly, as stated at trial on October 14, 2014, Apple's request to seal is DENIED  
24 without prejudice. Continued failure to comply with this Court's sealing requirements in  
25 connection with this sealing request will result in denial with prejudice.

26 **IT IS SO ORDERED.**

27 Dated: October 14, 2014

  
28 LUCY H. KOH  
United States District Judge
